

Residential Outdoor Grill Warranty

EXPRESS WARRANTIES

Thermal Engineering Corporation (TEC[®]) warrants this product, the Cherokee™ FR, and all component parts to the original owner to be free of defects in material and workmanship when subjected to normal household use for a period of one year from the date of purchase except as detailed below.

EXCLUSIONS

TEC does not warrant the Radiant Glass Panel on portable units.

UNDER THIS WARRANTY To support the repair or replacement of the product or any component part under this warranty, the owner must first: (1) Provide TEC or the dealer with proof of purchase of grill or component part, including the original purchase date and the serial number of the product, (2) Obtain Return Authorization from the dealer or TEC and return the product or component part to TEC or the dealer within the warranty period and (3) Pay for the replacement part including shipping charges prior to warranty determination. If the part is deemed by TEC to have a defect in material and/or workmanship the cost of the part will be reimbursed. TEC reserves the right to determine the warranty status of a part and shall have the option to repair or replace the product or any component part deemed by TEC to be defective. Parts returned to the factory for warranty determination will not be returned to the customer. **IMPORTANT: RETAIN PROOF OF ORIGINAL PURCHASE TO ESTABLISH WARRANTY PERIOD.** The repair or replacement of the product or any of its component parts under this warranty shall be made by TEC free of charge for the part itself, with the owner paying all other costs, including labor and shipping. This warranty extends only to the original purchaser of the product and does not apply to commercial usage. This warranty shall not apply to problems or damage resulting from abuse, negligence, accident, natural disaster, alteration of the product, improper operation, installation, set-up or service or for failure to follow the instructions in the Owner's Manual. Discoloration, oxidation and surface rust of grill components which in the normal course of grill operation are exposed to high levels of heat are not covered by this warranty. Some objects and substances that come in contact with the grill may cause changes to its outward appearance, including discoloration, oxidation, and surface rust. These changes in appearance are not covered under the warranty.

DISCLAIMER OF IMPLIED WARRANTIES The warrantor is not responsible for incidental and consequential damages whether arising out of breach of warranty, breach of contract or otherwise. Some jurisdictions do not allow the exclusions or limitations of incidental or consequential damages so the above limitation or exclusion may not apply to you. Any implied warranty of merchantability and fitness applicable to the product and its component parts are limited in duration to the period of coverage of the applicable expressed written limited warranties set forth above. Some jurisdictions do not allow limitations on how long an implied warranty lasts so the above limitations may not apply to you.

This warranty is in lieu of all other warranties, expressed or implied, and all other obligations or liabilities in connection with the sale, use and ownership of this product.
